2.1 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.2 In the event of a dispute between the parties to this contract as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the District shall be consulted and a mutual determination thereof shall be made by both the Sheriff of the County and the District.

2.3 With regard to sections 2.2 and 2.3, the Sheriff, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.4 All District employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the District and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No District employee as such shall become employees of the County unless by specific additional agreement in the form of a merger contract which must be concurrently adopted by the District and County.

2.5 For the purpose of performing services and functions, pursuant to this agreement and only for the purpose of giving official status to the performance thereof, every County officer and/or employee engaged in performing any such service and function shall be deemed to be an officer or employee of the District while performing such service for the District, as long as the service is within the scope of this agreement and is a municipal function.

- 1.3 No addition or variation of the terms of this Agreement shall be valid unless made in writing by both parties.

2.0 ADMINISTRATION OF PERSONNEL

2.1 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.2 In the event of a dispute between the parties to this contract as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the District shall be consulted and a mutual determination thereof shall be made by both the Sheriff of the County and the District.

2.3 With regard to sections 2.2 and 2.3, the Sheriff, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.4 All District employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the District and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No District employee as such shall become employees of the County unless by specific additional agreement in the form of a merger contract which must be concurrently adopted by the District and County.

2.5 For the purpose of performing services and functions, pursuant to this agreement and only for the purpose of giving official status to the performance thereof, every County officer and/or employee engaged in performing any such service and function shall be deemed to be an officer or employee of the District while performing such service for the District, as long as the service is within the scope of this agreement and is a municipal function.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Law enforcement services performed hereunder may include, as requested by the District, dedicated school resource deputy personnel, dedicated supervision, or dedicated civilian support staff.

3.2 Services performed hereunder and specifically requested by the District shall be developed in conjunction with the Sheriff and indicated on a Los Angeles County Sheriff's Department SH-AD 575 SD - School District Law Enforcement Services form (Attachment A).

4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said District, the same shall be supplied by the District at its own cost and expense.

5.2 Without limiting the District's indemnification of the County, the County shall provide and maintain a program of liability insurance, consisting of self-insurance, providing Comprehensive General Liability and Comprehensive Auto Liability insurance. The current rate for this liability insurance is 3% of the total gross billing.

6.0 TERM OF CONTRACT

7.1 Either party may terminate this agreement as of the first day of July of any year upon notice in writing to the other party of not less than sixty (60) days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the District may terminate this agreement upon notice in writing to the County given within sixty (60) days of receipt of written notice from the County of any increase in the rate for any service to be performed hereunder, and in such an event this agreement shall terminate sixty (60) calendar days from the date of the District's notice to the County.

7.3 This agreement may be terminated at anytime, with or without cause, by either party upon written notice given to the other party at least 180 days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and each party shall be released from all obligations, which would otherwise accrue subsequent to the date of termination.

8.0 CONTRACT SUM

8.1 The District shall pay for the services provided under the terms of this service agreement at the rate established by the Auditor-Controller.

8.2 The rates indicated in the SH-AD 575, SD - School District Law Enforcement Services form shall be readjusted by the County Auditor-Controller annually effective July 1st of each year to reflect the cost of such service in accordance with the policies and procedures for the determination of such rate as adopted by the Board of Supervisors of County.

8.3 The District shall be billed based on the service level provided within the parameters of the SH-AD 575, SD - School District Law Enforcement Services form.

8.4 The cost of other services requested pursuant to this agreement and not set forth in the SH-AD 575, SD - School District Law Enforcement Services form shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the Board of Supervisors of County.

9.2 If such payment is not delivered to the County office which is described on said invoice within sixty (60) days after the date of the invoice, the County is entitled to recover interest thereon.

9.4 Notwithstanding the provisions of Government Code Section 907, if such payment is not delivered to the County office which is described on said invoice within sixty (60) days after the date of the invoice, the County may satisfy such indebtedness, including interest thereon, from any funds of the District on deposit with the County without giving further notice to District of County's intention to do so.
